Key to the Information in Parentheses Following Listed Responses

Items in parentheses: (a, b, c, d)(e)

a = question number

b = response letter

c = % of respondents making that response

d = % of respondents making that response, or one that is worse

e = problem points assigned to the response

An asterisk in (e) indicates that the points shown are not counted in the problem point total, because the same or a greater number of points are already being counted for a closely related response.
